12 combustion motor that is capable of propelling the device with or
13 without human propulsion. A motorized foot scooter's motor must
14 produce no more than one and five-tenths gross horsepower and be
15 capable of propelling the entire device at not more than twenty-five
16 miles per hour on level ground.

17 For purposes of this section, a motor-driven cycle, a moped, an
18 electric-assisted bicycle, or a motorcycle is not a motorized foot
19 scooter.

20 **Sec. 2.** RCW 46.20.500 and 1999 c 274 s 8 are each amended to read
21 as follows:

22 No person may drive a motorcycle or a motor-driven cycle unless
23 such person has a valid driver's license specially endorsed by the
24 director to enable the holder to drive such vehicles. However, a
25 person sixteen years of age or older, holding a valid driver's license
26 of any class issued by the state of the person's residence, may operate
27 a moped without taking any special examination for the operation of a
28 moped. No driver's license is required for operation of an electric-
29 assisted bicycle if the operator is at least sixteen years of age. No
30 driver's license is required to operate a motorized foot scooter.
31 Persons under sixteen years of age may not operate an electric-assisted
32 bicycle. Persons under twelve years of age may not operate a motorized
33 foot scooter. Motorized foot scooters may not be operated at any time
34 from a half hour after sunset to a half hour before sunrise without
35 reflectors of a type approved by the state patrol.

Sec. 3. RCW 46.37.535 and 1990 c 270 s 8 are each amended to read as follows:

It is unlawful for any person to rent out motorcycles, motor-driven cycles, motorized foot scooters, or mopeds unless the person also has on hand for rent helmets of a type conforming to rules adopted by the state patrol.

It shall be unlawful for any person to rent a motorcycle, motor-driven cycle, motorized foot scooter, or moped unless the person has in his or her possession a helmet of a type approved by the state patrol, regardless of from whom the helmet is obtained.

Sec. 4. RCW 46.61.710 and 1997 c 328 s 5 are each amended to read as follows:

(1) No person shall operate a moped upon the highways of this state unless the moped has been assigned a moped registration number and displays a moped permit in accordance with the provisions of RCW 46.16.630.

(2) Notwithstanding any other provision of law, neither a moped nor a motorized foot scooter may ~~((not))~~ be operated on a bicycle path or trail, bikeway, equestrian trail, or hiking or recreational trail.

(3) Operation of a moped ~~((or))~~, an electric-assisted bicycle, or a motorized foot scooter on a fully controlled limited access highway or on a sidewalk is unlawful.

(4) Removal of any muffling device or pollution control device from a moped or motorized foot scooter is unlawful.

(5) Subsections (1), (2), and (4) of this section do not apply to electric-assisted bicycles. Electric-assisted bicycles may have access to highways of the state to the same extent as bicycles. Electric-assisted bicycles may be operated on a multipurpose trail or bicycle lane, but local jurisdictions may restrict or otherwise limit the access of electric-assisted bicycles.
